

Quintin Fallow

Quintin Fallow has 17 years' construction industry experience in Australia and abroad and has completed an array of project types including new-build, fit-out and refurbishment projects in the residential, office, education health and hotel sectors.

Quintin has a passion for high end construction which has drawn him into the hotels and hospitality arena. He now specialises in the hotel sector in both a consulting and contracting capacity with Chroma Group Pty Ltd.

Quintin has extensive experience in construction management, budget and project delivery, ensuring that our hotel projects are delivered with minimal disruption and to the highest quality standards.
