

Ryan Cornelius

Ryan has a wealth of experience in the construction industry. Starting out as a carpenter he developed a strong understanding as to how a good site is run. After developing his skills on the ground, he also has recent experience as a Project Manager, thus solidifying his understanding of the construction process as a whole, he has all of the skills required to thrive as a Site Manager with Chroma Group.

Ryan has a strong focus on getting work completed on time with quality finishes. Ryan is well versed in managing quality whilst also ensuring a safe environment for everyone on site.
