

Will Georgiou

With over 10 years working in the construction industry, Will started his career in residential construction, followed by six years working within multiple roles of project delivery across fitout and refurbishment in the office, education and residential aged care sectors.

Will prides himself on clear communication and having a practical and collaborative approach to problem solving and has vast experience working across Design & Construct ECI projects with detailed knowledge of cost planning, buildability and value management whilst ensuring that clients' expectations and overall quality is achieved to a high standard.

Will has developed strong relationships with clients, consultants and subcontractors and with his experience and attention to detail, has a proven track record of delivering projects to a high standard.
